This brand new, ground-floor apartment in the centre of Dénia is ready to move into and has never been lived in. Finished in 2025, it offers 84 m² of thoughtfully designed space with two bedrooms, two bathrooms, and a bright, south-facing living-dining room that opens onto a generous covered terrace, perfect for enjoying year-round.

The fully fitted and furnished kitchen is integrated into the living space, and the apartment also benefits from a laundry room, built-in wardrobes throughout, and centralised hot/cold air conditioning. Quality finishes and a very good overall condition run throughout the property, and step-free access with a lift makes it easy to live in.
